**Reference: Request for comment, Summer's End/ Draper Rendezvous, 2020
Public Assembly Permit, Lions Park, Blaine county.**

Wood River Fire Protection District was asked to provide comment's concerning the above-mentioned assembly permit application. After reviewing the information provided to me by Blaine County and the City of Hailey, I have the following comment and suggestions.

1. **Camping and Campfires.** The event organizer is proposing camping in some areas of the City and County. Campfires will be prohibited in these areas and open flame cooking devices will be limited to LPG (propane) appliances only.
2. **Emergency Access and Egress.** All emergency access and egress points, trails and roads will have to be kept open and clear at all times.
3. **Smoking Areas.** Please ensure that the smoking areas are clear of combustible vegetation and other items and there are several containers in the areas to properly discard of smoking materials.
4. **Open Flame and Cooking.** Open flame of any type will be prohibited outside of the park field and have a minimum clearance of 10 feet to any combustible materials. Fuel sources for open flame cooking must be properly installed in a food truck/trailer or have a 5-foot clearance from any tent or membrane structure.
5. **Duties.** It is the responsibility of the permit holder to keep diligent watch for fire or obstructions to access or exiting and other hazards during the time the event is open to the public. The permit holder will be expected to mitigate hazards, assist with evacuation and notify the proper authorities immediately if needed.

Please feel free to contact me with any questions or concerns regarding this project.

Sincerely,

Chief Mike Baledge
Fire Marshal
City of Hailey/Wood River Fire Protection District
